## ABOUT US

In 1976, Ali Zein Akl emigrated from Lebanon and brought with him an appreciation for quality meat and Mediterranean food. Ali's Meat Market was founded in 1984 by Ali and Joan, who served Toledoans for over 30 years.

Their son, Amir, now carries on the tradition by keeping the finest meats available so that local families can experience custom-cut meat of the highest quality. We are proud to serve Toledo communities and our customers are like family. We hope that you consider buying local and supporting us whenever you need meat.

TOLEDO OWNED AND OPERATED FOR  
OVER 30 YEARS

We've got what you're craving:  
quality meats & custom service.

## WHAT TO EXPECT

At Ali's Meat Market, we strive to give the best customer service experience as swiftly as possible while still providing the best quality meats. We offer a wide selection of meats, cuts, and customizations. All of our products are Halal and they are cut and prepared by order.

We know you are busy and we want to make your day as stress-free as possible. For your convenience, you can phone-in your order and tell us your specifications. We can have it cut, marinated, packaged—whatever you prefer—and ready for pickup.

Do you like to stock up once a month? Do you want to fill your freezer? Do you cook dinners daily? Ask about our meat, poultry, and seafood packages designed for you and your family's needs.
